# SIS30122 CERTIFICATE III IN SPORT, AQUATICS AND RECREATION (Partial Completion)

---

## Course Overview

This qualification reflects the multi-skilled role of individuals in operational and customer support positions in the sport or community recreation industry. These individuals are competent in a range of activities and functions requiring autonomous work within a defined range of situations and environments.

They work in locations such as fitness centers, sporting grounds or complexes, leisure and aquatic centres and community recreation centres.

## AIMS

The aim of this course is to provide participants with the knowledge and skills to achieve competencies that will enhance employment prospects in the Sport and Recreation Industry. The course enables participants to gain a recognized credential and to make a more informed choice of vocation or career path.

## Duration

This course will run for one year and students will receive a statement of attainment at the end of the year. It is run on a Monday afternoon from 1:30pm.

## ENROLMENT

Students are required to successfully complete SIS20419 Certificate II in Outdoor Recreation or equivalent units.

## Pathways

The course provides pathways into further qualifications in Sport and Recreation, TAFE, University, Outdoor Recreation, Fitness, Sport and Coaching courses. It is suitable for an Australian Apprenticeship pathway.

This course is 60% Theory, 40% Practical

Students interested in the Sport and Recreation Industries are invited to apply.
