--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

(This is a **ten digit** number. If you do not have one, please visit www.usi.gov.au to register. **Your application will not be processed until this number is supplied**)

CAREER GOALS:

What do you know about the VET program you are currently applying for?

Explain why you believe this VET course fits in your Pathways Plan?

Detail any experience you have involving this type of work.

Details of any disability, impairment or long-term condition.

Please note that details of any learning difficulty or medical condition will be passed on to the training provider by the school so that appropriate support can be put in place. Without this support there is a possibility that the course may not be satisfactorily completed. If you have any problems with this please contact the VET Manager at the school.

Please list any diagnosed medical condition e.g. asthma, diabetes?

If you have a learning difficulty please explain what help you think you will need to be successful:

Are you of Aboriginal or Torres Strait Islander origin? **Yes** **No**

What language is spoken at home? _____

Status of citizenship/residency? (Tick Box)

Australian Citizen Permanent Resident Temporary resident

If Temporary Resident please provide details of Visa:

Type: _____ Number: _____ Expiry Date: _____

STUDENT AGREEMENT:

Note: Students are expected to complete the full two year program.

I understand that if I am offered a position I must be committed to the program. I agree to attend all training sessions as timetabled each week, complete the work required and complete any work placement including holiday placement as required. I will advise the VET Manager of any reason for non-attendance **before** the weekly training. I will also talk to the VET Manager if at any time I feel unsafe or I do not understand what I am expected to do. I also understand that the training organisation and my employer will be informed of any learning difficulty I have at school so that support can be given to me to be successful as well as any medical condition which may affect my workplace. If offered support I will accept it.

Student Signature: _____ Date: _____

Email Address: _____

Privacy Information:

All information on this form is true and correct. I, and my son/daughter, understand that the information is provided for the purpose of application, selection and enrolment into a Geelong VET program. The information, including details of any learning difficulties and medical conditions, will be provided to the organiser of the course, the Registered Training Organisation and any others involved in the provision of this course at the delivery site. It may also be provided to employers. It is also required for organisation of VET bus travel.

I/We consent to this information being provided. Signed (Parent/Carer) _____

Transport to VET classes

Government funding for the VET bus system in 2025 is not yet confirmed. If 2025 funding is secured by the GRLEN the VET bus system will operate across the cluster according to the guidelines which will be provided by DET for government schools. Students from other sectors studying VET will be able to use the VET buses for travel provided there is space available.

Students may need to walk a short distance to the connecting buses. If students are studying at VET training venues in the city, they may need to walk a short distance after being dropped off at a bus stop in the city or at the interchange.

On arrival at the venue students are expected to go straight to their VET classes. If VET classes are at the start of the school day parents or carers may need to support students to get to the venue and they may also need to arrange travel at the end of the afternoon sessions which finish much later than the end of the school day. Buses to take students back to their home schools may be provided in 2025 but, as yet there is no guarantee.

Signed (Parent/Carer) _____

To access the VET bus system students must complete the Application for Permission to Travel on the VET Off- Campus Transport Program. Please see your VET coordinator for forms.

Please return this completed application form to your VET Manager
