

# Certificate II in Sport and Recreation

## SIS20122

run in partnership with North Geelong Secondary College and Australian Institute of Education and Training

### Description:

Sport and Recreation offer students the opportunity to develop work-related skills in the sports field. In particular, this course looks at coaching and officiating. Students will gain their first aid, be able to assist in conducting sports and recreation sessions for participants, provide equipment for activities and apply the principles of community development to community recreation work. Upon successful completion of units, students will be awarded a statement of attainment for this nationally recognised certificate.

### Pathways:

This entry level qualification allows for further studies in the sport and recreation field. It aims to provide specific skills and knowledge required to be an assistant level employee in a sports program, gym, aquatic centre or leisure centre. It could lead to further studies in fitness, outdoor recreation or sport and recreation.

### Areas of Study:

- participate in workplace health and safety
- assist in conducting recreation sessions
- provide quality service
- respond to emergency situations
- maintain activity equipment
- maintain sport, fitness, and recreation industry knowledge
- provide first aid\*
- various sport-focused activities (netball/basketball and more)
- plus many more!

\*delivered in partnership with an external third-party RTO

\*\*units are subject to change
